

Aritco 6000 - our most versatile home lift

Aritco 6000

Choose among several different sizes, glass walls and colours. This is the choice for those of you who would like to customise the lift to your own liking.

Several advantages offered by Aritco 6000:

- Design, sizes and options created for a home environment
- Minimum interventions in the house
- Option for a "half-height door" on the top floor
- 95% recyclable materials
- 'A' rated energy consumption according to VDI4707
- Patented screw/nut technology (no oil that can leak)
- The lowest maintenance and operating costs on the market
