

# ACCESSIBILITY FOR HOME & PUBLIC BUILDINGS

## Aritco Home & Public Access Lift Datasheet 2021

Aritco Access Lift is designed to make your home as well as public and commercial buildings accessible for everyone. Practical and smart with sizes for all needs. The lift expresses Scandinavian design and features a backlit panel and lit handlebar. With an option to personalize it with details such as glass walls, a range of various colors and different materials.

### Advantages offered by Aritco Access Lift:

- Design, sizes and options created for a home environment
- Minimum interventions in the house
- Option for a "half-height door" on the top floor
- 'A' rated energy consumption according to VDI4707
- 95% recyclable materials
- Patented screw/nut technology (no oil that can leak)
- The lowest maintenance and operating costs on the market
- Equipped with our SmartSafety system with safety features for home environments.
